Boys Have Best Outing of Season Gators Give Their All in Close Match with Barracudas

The Gators produced one of their best efforts of the year, keeping close to the Homestead Farm II Barracudas Saturday. The overall score was Southglenn 386 to 578 for HF II. The boys, who crept to within 18 points at one point

during the meet, had a very respectable score of 203-258. The outnumbered girls fell 183-320. Check out all the individual results as well as all the All-Star Qualifiers on the web site.

The Prez sayz..

Thanks to all of the volunteers for every meet, you've all been doing a wonderful job. It's through your concerted efforts the past couple of weeks that we finished each of the meets ahead of time. If anyone needs some extra credits for their volunteer times we still want to update the SGCC records board, which is in bad shape. Come and see Art or Donna Howe if you're interested.

Reminder that the final swim team board meetings for this season are this Thursday, 7/14 and next Thursday, 7/21. The meetings are open to everyone on the team. We will be discussing people to shadow our leads for next season and would love to see some new people on the board for new ideas and energy. We hope to see you there - 7:00 at the club house. The meetings are always short. — Art Howe

Congrats are in order...

Congratulations Coach **Leanne Stoelb** - Leanne will be married to Edward Gluskie this fall and will move to Australia to begin their new life together. Leanne has been on deck at Southglenn as a swimmer and a coach for the past 17 years! Thanks Leanne - we'll miss you!

A special congratulations to Coach **Trisha McKenzie** on her engagement last weekend to Davin Anderson. What a special 4th of July weekend!

Special thanks to **Lou Mednick** and **Sally Thompsen** for the wonderfully successful concessions at our past three home meets! YUM! Thanks to all of our wonderful starters, scorers, stroke & turn judges, clerk of course, timers, runners, and setup/take down folks who made our three home meets run smoothly! We appreciate you and the work of ALL of our many volunteers!

Coaches' Corner

Hello Gators!

Congratulations to all swimmers who participated in this past weekends meet against Homestead Farms II. Everyone gave it their all, and as a result, this was our closest meet of the season!

Swimmers need to request prelims/championships events by Tuesday morning, July 12, as the coaches are required to submit entries by that date. Please be sure to mark the sign out book if you will be missing any of the remaining swim meets!

Because of the prelims schedule and the arrangement of coaches, there will be No Practice on Wednesday, July 20th. This will also give swimmers who participated in Monday and Tuesday prelims a break, before Thursday/Friday practice and Saturday's Championships meet!

We will be having a pizza party/tie dye party this Friday night, at 6pm. Bring your own shirt (or other article of clothing), and we'll provide the rest! We will be wearing our newly dyed garb to prelims and championships!

Our last dual meet for the season is this weekend, against Wildcat! Please see the website for driving directions. We need to be there by 7:15am, so we can be in the water NO LATER than 7:30am - it is important that each swimmer warm up and get acquainted with Wildcats pool. We are doing a decade's theme, so come dressed from the decade of your choice, and bring your smiles!

Your Coaches,

Andy, Leanne, Trish and Lauren
