Gators Top Hills-West in Finale

The Gators finish their regular season with a record of 4 wins and 1 loss with a convincing win over Hills West. The final score was 538.5 to 389.5. The boys won convincingly 296 to 137 while the Gator girls were edged by Hills West

252.5 to 242.5.

The Gators were thoroughly in command Saturday winning 53 races compared to 36 for Hills West. And as usual, the Gators did better in silver, bronze, and

fourth places to extend the margin of victory.

There were many great swims during the meet, including 17 swimmers who qualified for All-Stars in 32 different events.

Brett Reeder shows off his new style swim suit in the last boy's relay for the year.

DQ's were down this week dropping to 33 from 43 last week. And 39% of our swims resulted in improved times.

Congratulations to all the swimmers who participated in the meet. And as always, check out how you did on the Results page on the website.
